to be scheduled in June & July 2015 in Mendocino & Sonoma Counties

check www.paleotechnics.com for more info

ANIMAL PROCESSING

Many people who eat meat feel that they are out of touch with the sources and processes behind the food that ends up on their plate. By using as much as possible of an animal that we have harvested, we are honoring their life and all that they have created.

HOMESTEADER ANIMAL PROCESSING Intensive

in Boulder, UT

NOVEMBER 2-8, 2014

Skills Overview Day Workshop with Tamara Wilder

August 15 or 16, 2015 (date to be confirmed)

SCHOOL PROGRAMS with Tamara Wilder

Hands-on participation in paleotechnologies overview.

Especially good for 3rd - 8th grade ages & home school groups.

-**Necklace making** from sticks, stones and seeds.

-**Stoneworking**: drilling holes in stone and polishing with horsetail.

-**Firemaking demonstration** of hand drill firemaking included.

-**Hunting tools target practice** is extremely popular & forms lasting memory: rabbitsicks, handspears, bow & arrows, and atlatls (spear throwers)

- **Hoop & Pole game** is a very fun and instructional spearthrowing game.

A standard grade school program (3-4 hours)

\$525 for 15 students & \$650 for 25-30 students, \$10/student after.

A travel fee may also be added. Call or visit website for more info.
